## **Parenting with Love & Logic Follow-up**

Participants will follow-up on the fall Love and Logic class that was taught at Westminster by watching segments of a Love and Logic DVD which features father and son parenting gurus, Jim Fay and Dr. Charles Fay as well as break into small groups to talk about the DVD segments and to share how the Love and Logic way of raising children has been helpful and/or what challenges parents are encountering.

## **The Transformation of Today’s Church Led by Adam Grosch**

How is the Holy Spirit moving in the church today? The culture around us is changing faster than it ever has. The church today is fractured and divided, yet there are still signs of how the Spirit is working to bring unity within the body of Christ. While much of the church is in decline, the church is being transformed right in front of us. What does this mean for the future of the church? We will look at how faith is becoming more important than doctrine and belief, how the church today has many similarities to the church in the 1st and 2nd centuries and at practices found in vibrant churches today.

## **Learning Activities/Child Care for Children**

Child care will be provided for nursery age children. Children in Preschool through 5th grade (2 separate groups) will explore and experience some of the themes from *24 Hours That Changed the World* through the use of hands-on learning activities and experiences.

**Please call the church at 503-364-3327 to sign up!**
