## **Pastor Kelly's Installation Service: Sunday, May 16th at 3 PM. *MAKE YOUR RESERVATION NOW!***

Even though we can't throw the huge "blow-out" party of our dreams for this occasion, we are planning an event that will include our entire congregation. Here's the rundown of the afternoon:

### **3:00—4:00 PM THE INSTALLATION SERVICE**

The Installation Service will be hybrid: both in-person and streamed online. We'll take reservations for those who would like to attend in person — the reservation link is on the home page of our website OR you can call the office directly. Everyone is invited to attend the service. If reservations fill up for the Sanctuary space, we will spill-over into Boulder Hall, and use our large screen television for viewing.

### **4:00—5:00 PM THE PARTY**

There will be an OUTDOOR reception/party following the service, come rain or come shine. Everyone is invited to the party, regardless of whether or not you were at the service. Simple COVID-safe refreshments will be offered: cupcakes, coffee, tea and water. Feel free to bring your own snacks or beverages if you would like. We plan to have extra tables and chairs on the lawn, so everyone can relax, visit and celebrate this special occasion.

### **5:00—5:30 PM THE DRIVE-THRU**

For those who are uncomfortable participating in the above activities, you are invited and encouraged to drive over to the church, and greet Pastor Kelly in a 'drive thru' line. You can stay in your cars, wave and exchange a few words with our new Pastor and be on your way. DIRECTIONS: You'll want to enter from the Liberty or Ewald entrances, and pull in front of the church so that you're pointed in the direction of Winola, where you'll eventually exit. (We must be orderly, after all!)

No matter how you choose to participate, we hope you will take this opportunity to welcome Pastor Kelly, and wish her well as she officially becomes our new pastor. If you have any questions, please contact the church office at [jean@saalemwestpres.org](mailto:jean@saalemwestpres.org) or (503) 354-3327.

See you at the installation!

Grace and peace to you Westminster Presbyterian Church –

I am writing this article just a couple days shy of our first 2 months together.

One of my main priorities has been establishing a strong working relationship with Session, the church committees, and each member of the staff. There are many capable folks in each of these places and I am grateful for their wisdom and expertise. Likewise, I have enjoyed getting to know many of you on Zoom and in worship on Sunday mornings. I hope to spend time with each of the 18 Deacon care groups this coming summer in some smaller settings (stay tuned).

I know we are in weird times. Are infections going up? (yes.) Are vaccines going up? (yes). Do we still need to wear masks? (yes). Are we all ready for this to be over? (yes). Because 14+ months is long enough to rearrange our internal worlds and to reshape our external habits, what was 'normal' is looking further and further away in the rear view mirror. What about the church is feeling different for you? I recognize that along with Covid, Westminster also had the retirement of a number of long time staff in a short period of time. It's a lot of change at once. Here is one of my favorite quotes about how we experience times like this-

*For a seed to achieve its greatest expression, it must come completely undone. The shell cracks, its insides come out and everything changes. To someone who doesn't understand growth, it would look like complete destruction (Cynthia Occelli).*

The cracking open can make growth look like destruction! Think about infancy and adolescence, two of the times in our lives when we crack open the most and our growth is exponential. Usually they are welcomed seasons but not without their growing pains and some angst. Almost every church is facing this level of change. Covid has brought to light in an undeniable way the massive shifts in cultural patterns (church attendance habits, family income, declining birth rates, civic participation, demands on time, etc) over the past 50 years. Those patterns have very real impacts on how churches plan their programs. What I appreciate about being a pastor during this chapter in our collective life together, is that it is the time for the entrepreneurs, the visionaries, and the creatives to shine in our faith communities. The church of the future will be built by those who can see a picture what might be and by those who can hear the symphony amidst the chaos.

'See' you on Sunday.

Ever onward,  
Pastor Kelly

### **WESTMINSTER HOSTS (DISTANTLY) FAMILY PROMISE/IHN FAMILIES JUNE 6—JUNE 12**

For the second time in 2021, Westminster steps up to support unhoused families in the Interfaith Hospitality Network. At perhaps the worst crisis in the lives of these families, our church reaches out to help. At this time, families sleep in one of the two day centers. We are not yet able to welcome families to our church property, but we will support them with meals and groceries beginning the week of June 6. We will provide hot dinners for four nights and we will supply grocery money for breakfasts and lunches for that week. Cooks and money donations are needed

We are glad that our church is part of the community support that keeps these families with young children safe and nourished. If you are interested in being part of this important ministry of distanced hosting, please call or email Arlene (503-362-1828) [aapate@mac.com](mailto:aapate@mac.com) or Marje (210-218-5741) [kmetzmarjorie@gmail.com](mailto:kmetzmarjorie@gmail.com).

#### **LIFEPAX AVAILABLE**

Charity members will “e” discuss Lesson Nine, “End of Lament” from PW/Horizons Bible Study, Tuesday, May 25<sup>th</sup> at 1:30 PM. The main idea: “God has promised that one day there will be no more crying, no more death, no more lament!” Members will continue to exchange thoughts about the lesson via e-mail. We look forward to the fall when, prayerfully, we will gather at the church! For information call Lydia 503-585-0296 or Dolores 503-364-6646.

**CHARITY CIRCLE  
MAY 25<sup>TH</sup>****Westminster Book Club - May 26<sup>th</sup>**

The club will review “News of the World” by Paulette Jiles. A stunning story about the relationship between a grizzled old man and a young girl set in Texas in 1870. A recent film of the story featured Tom Hanks as the retired Army captain hired to take the girl (recently recovered from the Kiowa Tribe) to relatives in southern Texas. Sally Schriver has invited the club to meet May 26<sup>th</sup>, 10 a.m. at the clubhouse near her home.

For information or directions, e-mail Dolores Byrnes, [winbyrn@comcast.net](mailto:winbyrn@comcast.net) or call 503-364-6646.

### **CONNECTING WITH GOD AND OTHERS DURING THE PANDEMIC**

This month we continue a series that shines a spotlight on how some of our members have connected with God and others during the pandemic. If you have a story you'd like to share, please send it to Bev Mayhew (Email: [play8t8@gmail.com](mailto:play8t8@gmail.com)).

My sister and I are very close and love spending time together. We don't live in the same town, so we typically talk on the phone often. We were at the coast together March 2020 just as everything was shutting down. With stay-at-home orders coming, we wanted to stay more closely connected and support each other through the upcoming challenges.

In the past we had done occasional Bible studies together. We decided to make it a regular daily practice. We use the Bible app from Life.Church. We take turns selecting topics and plans for our daily study. There are so many plans on any topic you can imagine and range from 3 days to 365 days. We read the daily devotion and scripture, answer the question "What is God saying to me today?" and then talk about it in more detail. Usually we talk on the phone, but we have also used both FaceTime and Zoom for these studies.

We've deepened our faith, challenged each other, and become even closer through our study. Some of the plans we've done include Faith Instead of Fear in the Pandemic, Truth for Dark Days, Trusting God in the Eye of the Storm, Grace for the Moment, and Hopeful Living. Our current study is 100 Days with Jesus, Advent, Ministry and Passion. It's a very personal walk with Jesus which opened our eyes to new ways of seeing Jesus through the eyes of the people around Him. It has been a real blessing to share this with my sister. We will continue our daily study as the benefits are so great.

- Cindi Chinnock

"I began a quest to read the Bible cover to cover on April 29, 2019, after attending the Saturday portion of a West Pres women's retreat. I finished my quest on April 2, 2021! I was originally just trying to finish by the two-year mark, but things were going well, so I changed my goal to finish by Easter and made it! In completing this goal, I really feel like I deepened and affirmed my faith. It was rewarding, too, to come across Bible verses I had heard many times, but read them in context. I also enjoyed discovering where many lines from the songs we sing originated (not surprisingly, many come from the book of Psalms). Through watching Bible Project videos as I went along, I gained a much better understanding of the history of Bible lands and much greater context for understanding what I read."

## WESTMINSTER READS RETURNS THIS SUMMER

Last summer Adult Education launched Westminster Reads Book Club, and we successfully read and discussed *The Brothers K.* Due to popular demand, Westminster Reads will return this summer with the book *Year of Wonders*, by Geraldine Brooks, a Penguin publication. It is a classic God vs. Nature novel about how a remote English village responds to the "Black Death" in 1666.

Adult Education

### From the Back Cover

When the plague visits an isolated village in the English countryside, a housemaid named Anna Frith emerges as an unlikely heroine and healer. Through Anna's eyes we follow the story of the fateful year of 1666, as she and her fellow villagers endure a self-imposed quarantine to keep the disease from spreading. As death reaches into every household and villagers turn from prayers to murderous witch-hunting, Anna must find the strength to confront the disintegration of her community and the lure of illicit love. As she struggles to survive and grow, a year of catastrophe becomes instead *annus mirabilis*, a year of wonders. Inspired by a true story, *Year of Wonders* is a richly detailed evocation of a singular moment in history. With stunning emotional intelligence, Brooks blends love and learning, loss and renewal into a spellbinding and unforgettable read.

Stay tuned for logistics of small group(s) and study questions.

## NEW TESTAMENT STUDY SCHEDULE

As a follow-up to Betsy's Herculean task of reading the ENTIRE Bible (see Page 8) we have I Corinthians 7-16 and Acts 1-13 for the suggested readings in May. By coincidence the Acts reading is a nice review of the Scriptures presented during worship services this Easter season, leading up to Pentecost. # Caring For Creation Month Wraps Up

Five weeks of environmental awareness wrapped up on May 2nd with the planting of two unique 'edible chestnut' trees, and distribution of door prizes. Watch the website for ongoing environmental updates & info!

Ted Burney planted two hybrid 'edible chestnut' trees on church property. In about 8 years, these trees will provide beautiful shade and start producing a variety of chestnut developed to be disease-resistant.

Deanie Anderson hands a door prize to Laurel Bard, one of the members who participated in the Caring for Creation activities.

## VBS 2021 IS A "GO!"

The week of August 16-20: Rocky Railway VBS  
Plan for an outdoor experience this year!

The VBS planning team is forming soon. We need help to plan and execute this year's reimagined, outdoor, COVID-safe, Rocky Railway-themed Vacation Bible School. If you're interested in being part of this event, please contact [krisha@saalemwestpres.org](mailto:krisha@saalemwestpres.org) or call the church.

## WESTPRES KIDS NEWS:

- ♦ **Last day for Zoom Sunday School:** Sunday, May 16, 9:45 AM
- ♦ **PENTECOST PARTY!** Sunday, May 23, 9:30 AM  
All Sunday School-aged kids are invited to come help us celebrate the birthday of the church. This will take place outdoors in the patio area by Boulder Hall and will include a science station, craft station, carnival-style games with prizes, and of course a re-telling of the Pentecost story! Youth are needed to help with this event.
- ♦ **GOOD LUCK KATY!** We want to recognize the hard work and flexibility of Katy Tillotson as she wraps up her time as children's ministry assistant. Many thanks to her for the hours spent making sure our Sunday School runs smoothly and for the other odd jobs we found for her along the way. Grace and peace to you, Katy!
- ♦ **RECOGNITION SUNDAY:** Teacher/musician recognition Sunday is June 6. Staff are working to put together a compilation of stories or words of thanks for our dedicated volunteers. Please take the time to share a way your life (or your child's life) was touched this year by any of the following: *a Sunday School teacher or youth leader, church event (virtual VBS, pageant, City Camp, adult ed opportunity, etc.), or the ongoing music ministry of the church (choirs, special music, worship team, etc.).*

A short video or audio clip would be great, or something written would also work. It could be something really specific that happened or just a general note of thanks. As Pastor Kelly has been saying, we all will have different stories from the last year. This could be one good way to share part of your story as it relates to all of us. Please email clips or written words to [krisha@saalemwestpres.org](mailto:krisha@saalemwestpres.org) or [music@saalemwestpres.org](mailto:music@saalemwestpres.org) or contact either of us if you need technical assistance!

**THANK YOU SO MUCH** for your generous and continued can and bottle donations to the youth group! Our last two drops have helped us raise nearly \$700 for youth missions and city camp!

**A small favor to ask:** Please be sure to rinse your bottles and cans before you bag them for the youth. We have encountered several sticky situations, mold, and ants while processing the cans and putting them in our blue bags. The cans are stored in the youth room until we can process them, so avoiding an ant infestation is very important. If you have bottles and cans to donate, you can drop them off at the youth room door or pick up a blue tagged bag in the main office on the back counter. Fill the bag to capacity and drop off at Bottle Drop or the youth room at your convenience. Thank you so much for continuing to support the youth!

#### ART FESTIVAL SCHOLARSHIP

Hi Seniors and Parents,

Each year, the Westminster Fine Arts Festival Committee gives a generous scholarship to one or more Westminster graduating seniors. The criteria is that you have been an active member of the youth program at Westminster between 6th and 12th grade. The application is due this Spring (deadline on application). If your student is college-bound, this is an excellent opportunity and I encourage you all to apply! We are so grateful to the Fine Arts Committee for investing in the education of our youth.

Email Vik Schaaf ([vik@saalemwestpres.org](mailto:vik@saalemwestpres.org)) if you need a copy of the application, or if you have any questions. Good luck!

#### GERANIUM SALE

Thanks to all who ordered geraniums this year! We sold a record number of beautiful plants from Egan's Nursery.

Happy Gardening!

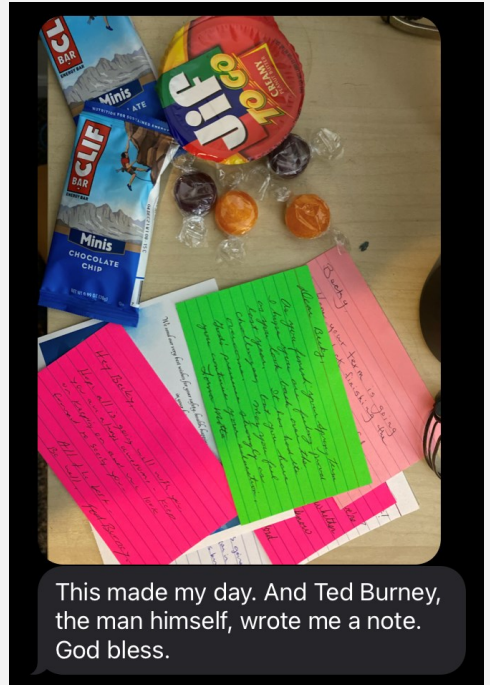

## NOTES OF ENCOURAGEMENT AND CARE PACKAGES...

...were happily received by our college-aged students. Here are some pics of the grateful recipients. Thanks to all who wrote notes, and contributed gift cards and other gifts!

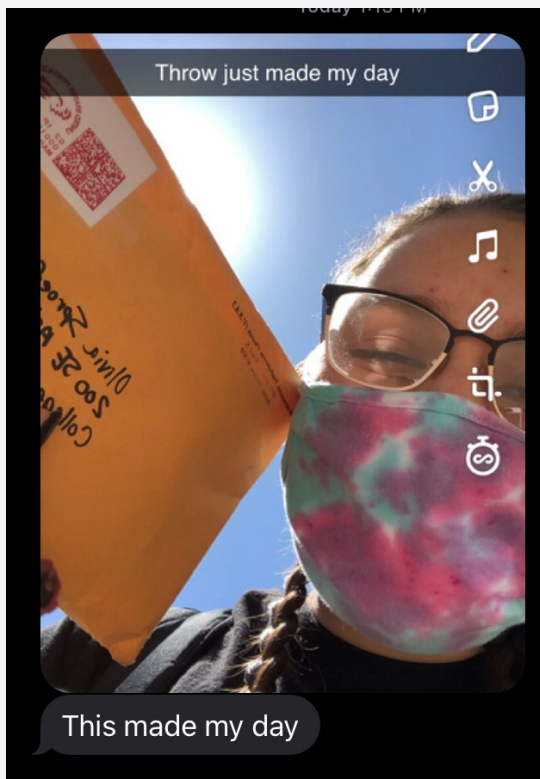

There's a smile under that mask...

Picture sent from Becky after she opened her package:

This made my day. And Ted Burney, the man himself, wrote me a note. God bless.
