PRAYERS OF THE PEOPLE

COMMUNAL PRAYER

Creator God, let us always be in awe of your wonderful works of creation. Don't let us take the details of the world you created for us for granted. Everything around us is wonderfully complex and splendid. You, Lord, are both an Engineer and an Artist who built a world to sustain life perfectly, but you didn't stop there. You also made immense details that please all of our senses as well. There are beautiful sights to see, sounds to hear, textures to feel, foods to taste, and even delightful scents that bring us enjoyment. Thank you for all the details of life. In Jesus' name, Amen.
