

# Understanding your Per Capita Giving

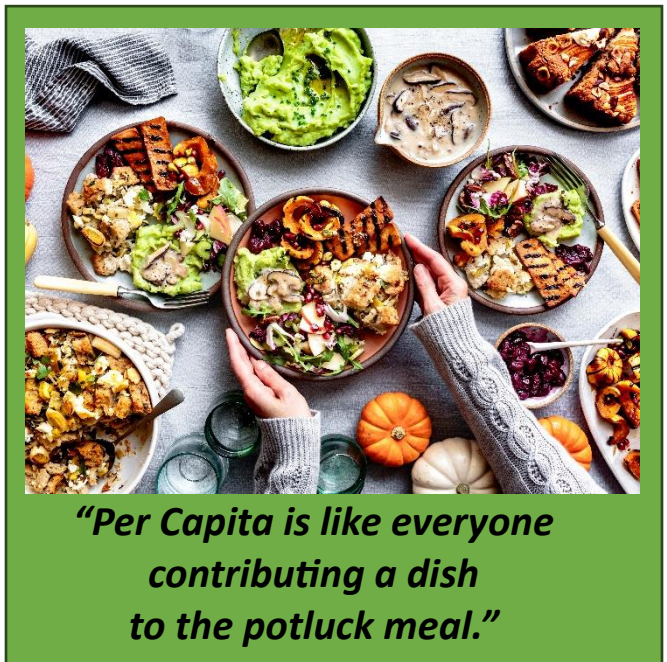

Per Capita exists as a way for all Presbyterians to share costs that belong to the whole church. Members equitably share the costs required to connect and coordinate over 8000+ congregations together into one larger body so we can further the mission of Jesus Christ around the world.

Per Capita is the main source of funding used by national and regional Presbyterian organizations to provide support for local churches.

## Per Capita Estimates:

General Assembly (National)	\$10.00
Synod (Regional)	\$6.00
Presbytery (Local)	<u>\$34.00</u>
Total per member	\$50.00

*"It's like everyone chipping in for gas when we're all on a trip together in the same vehicle."*

*"Per Capita is like everyone contributing a dish to the potluck meal."*

Westminster Presbyterian passes on 100% of your Per Capita donation to the GA, Synod, and Presbytery each year. This is one of the ways we participate in the unity and interdependence of the body of Christ, the church.
