Open the Eyes of My Heart, Lord

O Christ, the Healer

Hymnal #793

PRAYER OF CONFESSION

We confess that we prefer to confine you to the little things, the personal sins we can focus on so we don't have to notice the big picture. We admit that we have put you in a box of private and personal spiritual life, confined you to church buildings and an hour of worship, so we have stripped the Body of Christ of its power. What do you have to do with politics and economics and social order? Give us the courage to speak up and challenge all that shackles us to the ways of death, to seek solutions to the legions of problems rather than simply letting them carry on because it's easier for us to ignore them. Teach us once again that because of your love we are meant to act. Amen.
