PRAYER OF CONFESSION

**O God, build our faith. We confess that asking for this both scares and excites us. We are hesitant to see what building our faith might require of us. We confess that we are comfortable in our lives as they are. But please help us be more sensitive to your calling, and help us to glorify you in our actions and deeds. Please grow our desire to seek and serve others, living out our faith as you have asked us to. Give us courage. Amen.**
