PRAYER OF CONFESSION

Loving God, we realize that we have not always made our homes the dwelling place for your love that we would like. Too often, we act like individuals who happen to share the same building, rather than family members who care for one another. Help us to renew our commitments to the welfare and development of our family members whether they are with us or away.

PRAYERS OF THE PEOPLE

COMMUNAL PRAYER

Dear God, mothers come in all different shapes and sizes. From our biological mothers, grandmothers, and great-grandmothers to adoptive mothers, foster mothers, and godmothers. And even aunts, friends, neighbors, mentors, and the women who choose to take on these roles in our lives. We bring all of these women before you, and thank you for all that they do, and all that they bring to our lives. We also think today of those in our community who have stepped into our lives with love, guidance, and friendship. Thank you for the friends, the relatives, the church family members who walk through life with us, who celebrate with us, and who mourn with us. Thank you for those who listen and understand. Thank you for those who bring joy and laughter. Amen.
